

## **Park Cocktail Evening – 10 June 2021**

### **Shopping List**

#### **Cocktail 1: Mango & Cucumber Mule**

- Vodka (plain, or go crazy!) – this will also work with gin
- Cucumber (about an inch)
- Honey
- Lime
- Mango Juice
- Ginger beer / Ginger ale

#### **Cocktail 2: Pina Colada**

##### Standard

- Rum
- Lime
- Coconut
  - [Tinned coconut cream](#), Alpro coconut milk, coconut water (all: use within 3-5 days of opening), [Monin coconut syrup](#) (long life, 3-6 months after opening), [Monin coconut puree](#) (long life, 30 days after opening).
  - For pure coconut vibrancy, stick to Monin coconut syrup or puree
- Pressed pineapple juice
  - Pressed is ALWAYS better than concentrate in taste alone!

##### Optional upgrades

- Different rums; spiced, coconut, banana, pineapple, aged rums
- [Angostura Bitters](#)
- [Almond syrup / Orgeat](#) (if you don't want to buy, add almond extract to sugar syrup)
- Or Amaretto instead of almond syrup / Orgeat will work
- Pinch of rock salt

#### **Cocktail 3: English Tea-Ki Garden**

- Rum (dark, aged, gold spiced)
- Something rhubarb (rhubarb gin, rhubarb vodka, rhubarb syrup, rhubarb cordial)
- Raspberry syrup / raspberry jam / 5 fresh raspberries + sugar syrup
- Lemon
- Half a cup of black tea (like PG Tips or Yorkshire Tea – you'll need less than 50ml. Brew it and let it cool)
- Pressed apple juice (pressed is ALWAYS better than concentrate in taste alone!)
